Virginia WHPC is committed to increasing diversity and inclusion by promoting and encouraging the careers. This virtual event is jointly hosted by Virginia Commonwealth University, George Mason University, and the Virginia Tech, William & Mary, University of Richmond, and Research Computing at the University of Virginia. We hope you'll join us this October at the Uniting Women in Cyber Virtual Summit. You can save your seat by registering. We hope you are doing well and that you are finding a rhythm to your semester. This point in the semester may be a 

On Friday, September 24th, the SSPI Mid-Atlantic Regional Chapter will host an event geared toward women in the tech industry. Join us for a student outreach event focused on college women in technical majors. A new offering this year, the
