**Various Opportunities**

**REU Site in Pervasive Computing for Smart Health, Safety, and Well-being**

As an IDIA faculty affiliate, we encourage you to submit your profile. Did you know that, as an IDIA faculty affiliate, you are eligible to:

- FAA Aviation Research Grants Program
  - Deadline: December 30, 2022
  - Information available [here](#)
- ODNI AI Engineering Academic Research Roadmap
  - Deadline: January 15, 2023
  - Information available [here](#)
- University Research Enterprise (INSURE), Federally Funded Research and Development Centers (FFRDC), and University Affiliated Research Centers (UARCs) in support of the National Artificial Intelligence (AI) Engineering Initiative, sponsored by the Office of the Director for National Intelligence (ODNI). The purpose of the University Research Enterprise (INSURE) initiative is to conduct high-quality research aimed at filling gaps and improving the state of the art across the AI Engineering domain.

**ODNI AI Engineering Academic Research Roadmap**

- **ODNI AI Engineering Academic Research Roadmap**
  - Response Deadline: Thursday, December 15, 2022 by 5:00 pm EST
  - Information available [here](#)

**U.S. National Science Foundation Analytics for Equity Initiative**

The U.S. National Science Foundation is piloting the Analytics for Equity Initiative to support social, economic, and behavioral sciences research that leverages federal data and scientific advances in researching equity-related topics for greater public benefit.

- **Analytics for Equity Initiative Pre-Solicitation Notices Posted**
  - **Deadline:** January 15, 2023
  - More information available [here](#)

**Max Planck Institute for Demographic Research (MPIDR) Summer Incubator Program**

The Max Planck Institute for Demographic Research (MPIDR) is inviting applications from qualified and outstanding research credentials and extensive experience in mentoring undergraduate research projects. Participants will contribute to a hands-on project experience. All participants will also have access to lectures and participate in other scientific activities taking place at the MPIDR.

- **Application Deadline:** March 13, 2023
  - Information available [here](#)

**Progressive Commercial Insurance**

Save the Date!

**2023 GVSETS**

Join us for the 2023 Ground Vehicle Systems Engineering Technology Symposium (GVSETS) in coordination with The Engineering Society of Detroit (ESD). The 2023 GVSETS will bring together industry, government, and academia to meet the needs of a warfighter growing in scope and challenge.

- **2023 GVSETS Call for Papers**
  - **Deadline:** Thursday, May 18, 2023, 11:59 pm EST
  - Information available [here](#)

**2023 AI Innovation Symposium**

Led by NSF and in partnership with the White House Office of Science and Technology Policy, the White House Office of Management and Budget, and other federal agencies, the initiative links interested researchers directly with federal agencies seeking to answer research questions captured in their learning agendas in equity-related topics for greater public benefit.
