

COVER PAGE

**Project Title:**

**Anticipated Project Duration:**

**Student Applicant Name and Affiliation:**

**Student Current Funding Source:**

- GRA, Externally-funded
- GRA, Mason-funded
- GTA
- Wage Employee
- None

**Other Project Personnel:**

*Please list names and affiliations of all faculty members that will co-mentor the student applicant.*

**PROJECT SUMMARY** *Limit to 1 page*

*Paragraph 1: Describe the problem being addressed*

**Commented [AS1]:** Please use Arial 10 throughout this document. Please also do not change page margins.

*Paragraph 2: Overview the intellectual merit of the proposed activities and these align with IDIA*

*Paragraph 3: Overview the broader impacts of the proposed activities and these align with IDIA*

*Paragraph 4: Summarize how the proposed research promotes diversity, equity and inclusion*

PROJECT DESCRIPTION

**Commented [AS2]:** *Develop in greater detail paragraphs 1-4 of the summary above. Additionally describe the anticipated milestones and timeline of your project. Limit to 2 pages.*

#### PREPARATION AND SUSTAINABILITY

**Commented [AS3]:** *Your mentors should help you to address the following: A) What preparation have and will you receive to successfully complete the proposed research activities? B) What plans do your mentors have to sustain this project beyond the IDIA funding? Include specific information about potential external funding opportunities. Limit to 1/2 page.*

#### COLLABORATION AND MANAGEMENT PLAN

**Commented [AS4]:** *This part should be written by your mentors. A) How is the expertise of the various faculty mentors complementary and relevant for this project? B) How will the faculty mentors coordinate their collaboration in this project, and how will they mentor the student? Please describe the specific roles and management tasks of the faculty members. Limit to 1/2 page.*

## BIOSKETCHES

**Commented [A55]:** *Attach a biosketch for each of the members of the team (student applicant and faculty mentors). Limit each biosketch to 1 page. Biosketches of faculty mentors should relate current position at Mason, a list of relevant publications, and list of funded projects limited to the past five years.*
