**STUDENT OPPORTUNITY**

**IDIA Predoctoral Fellowship**

The Institute for Digital InnovAtion (IDIA) is seeking highly motivated students to join our team. The IDIA Predoctoral Fellowship provides opportunities for students to engage in cutting-edge research and gain valuable experience in the field of digital innovation. Interested students should submit their applications by [application deadline].

**ACES Workshop**

The ACES (Accelerating Computing for Emerging Sciences) Workshop will be held on [event date]. This event is centered on human dimensions of disaster resilience. Proposers are particularly encouraged to submit proposals that exploit special synergies between the U.S. and Japan.

**CCI NoVa Node Cybersecurity Traineeship**

The CCI is funding programs for the future of the next generation. CCI is seeking proposals for experiential learning projects that prepare Virginia students for successful careers in cybersecurity.

**GovFuture Forum**

This event will facilitate partnerships between businesses and federal laboratories, universities, and private-sector innovators—including government-funded startups—offering a wide range of green energy technologies for licensing, including green hydrogen, energy storage, and wind energy.

---

**VARIOUS OPPORTUNITIES**

**2023 Artificial Intelligence Innovation Program**

The 2023 Artificial Intelligence Innovation Program will be held on [event date]. This program is centered on artificial intelligence and machine learning frameworks. Toward addressing these needs, Graphcore is leveraging cutting-edge technologies on a Liqid Composable fabric. ACES aims to offer a holistic computing platform to support cutting-edge research to support improved policies and practices for human dimensions of disaster resilience. Proposers are encouraged to submit proposals that exploit special synergies between the U.S. and Japan.

---

**FUNDING OPPORTUNITIES**

**IDIA-affiliated Campus Center Proposal**

The Institute for Digital InnovAtion (IDIA) is seeking proposals to support campus centers that align with the mission of IDIA. Proposals should be submitted by [application deadline].

**IDIA Research Proposals**

IDIA is open to receiving research proposals that align with the core mission of the institute. Proposals should be submitted by [application deadline].

---

**IDEA AFFILIATION**

As an IDIA faculty affiliate, you are eligible to:

- Access exclusive opportunities and resources
- Engage with a dynamic multidisciplinary faculty network
- Attend IDIA-relevant events

To participate in IDIA, please [sign up].

---

**AWARDS**

**Institute for Digital InnovAtion (IDIA) Awards**

The IDIA is seeking nominations for the IDIA Awards. Nominations should be submitted by [nomination deadline].

---

**TrueRemove™**

TrueRemove™ is a suite of products designed to remove personal information from images. This technology has been shown to significantly reduce the risk of personal information leaks in a wide range of applications.
